TIKI TABLE

PATENT-PENDING FLOATING BOOTH-STYLE TABLE

Turn your water into your most talked-about amenity.

Tiki Table is a floating booth-style table built for lagoons, resorts, swim-up bars, beach bars and charter fleets. Guests rent it, gather around it, and order to it. You earn from it.

New revenue
Hourly rental amenity

On-water F&B
Food & drinks to the table

Made to share
Built for photos & social

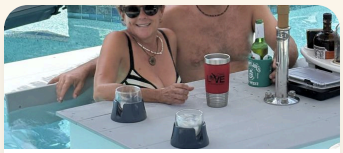

Portable
Easy to deploy and move

WHO IT'S FOR

Built for operators who sell time on the water.

Lagoon communities
A signature rental for crystal lagoons and public-access lagoons.

Resorts & swim-up bars
A premium, bookable experience in the pool or lagoon.

Beach bars
Guests linger (and order) in the shallows.

Yacht & charter fleets
A sandbar add-on that makes every charter memorable.

HOW IT WORKS

Live in weeks, not seasons.

1. **We deliver & set up**
   Tables arrive ready to float. We help with placement, anchoring and rental flow.
2. **Guests rent & gather**
   Groups reserve a table by the hour or day, with food and drinks served to the water.
3. **You earn & get noticed**
   Rental fees, bigger F&B tickets, and photos your guests share for you.

PILOT PROGRAM

Try it on your water before you commit.

- On-site setup and rental-flow planning
- Defined pilot period with clear success measures
- Usage & revenue review at the end
- Direct line to the founder throughout

Request a pilot for your property.

Tell us about your water and we'll set up a call or demo.
